

Buying your first home:

A checklist for new home buyers

Congratulations! You are about to embark on what will likely be one of the biggest purchases of your life—buying your first home! This journey is an exciting one and we're eager to help make owning your first home as easy as possible.

Step 1

To get started, book an appointment with an Alterna mortgage professional to get your mortgage pre-approval today. Once you have your pre-approval, you'll know exactly how much you'll have to spend so that you can shop for your dream home with confidence.

At Alterna we'll help cover your appraisal and legal fees. Ask us how.

Step 2

Here's a list of things you'll need to bring with you to your appointment:

- Confirmation of income and / or employment
 - This can include recent paystubs or a signed letter of employment indicating your position, income, and tenure.
 - If you are self-employed or have a commission-based salary, please bring your two most recent tax assessments (T1-General supported by Notice of Assessment) and last year's financial statements (if available).
- Evidence of your down payment and savings over a 3 to 6 month period
 - Bank statements, investment statements or gift letter
- Copy of the accepted purchase and sale agreement (if applicable)
- Copy of the real estate listing (if applicable)
- Contact information for your lawyer or notary—if you don't have one, we'll be more than happy to help you find one
- Copy of the contract and the building plans for a new home under construction (if available)
